As of right now, it has been with Gaydosh for the last 24 hrs. I have the accounting, RW/CD and transfer letter ready to go. It will be mailed overnight when I have it back.

Btw, I had to make significant changes (mostly format) due to a new 60 page guidance from HQ – ugh.

I'll call Monday. Btw, the Upper Animas amended Wk Assignment was approved by me (I nailed the costs within 20 percent) and should be with Kevin/Charles. I will follow-up before I leave today.
